We May Never Pass This Way Again

Life — so they say
Is but a game
And we let it slip away.

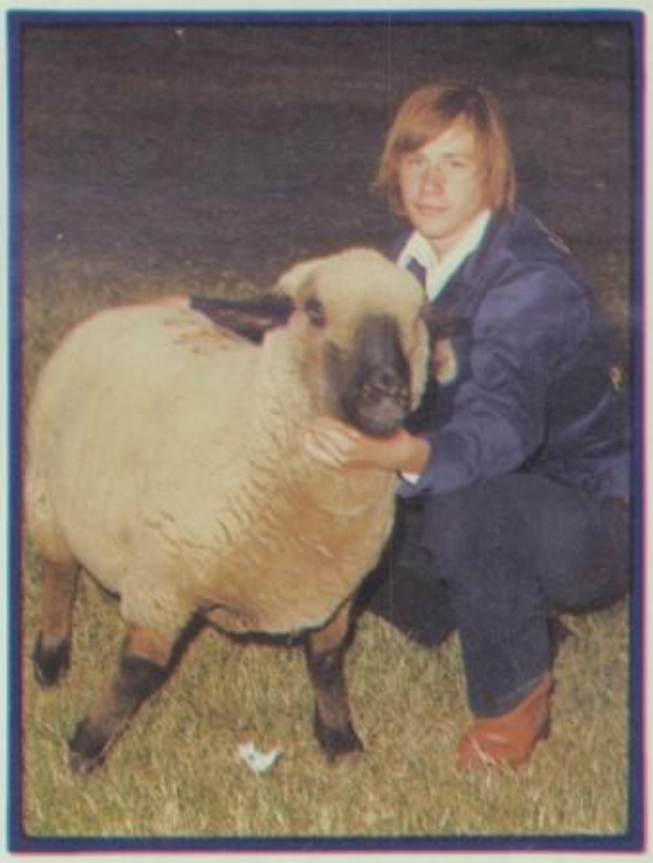
Summer - that golden season of the year when time moves slowly but is suddenly gone, when people relax or travel, worrying little about the future, enjoying the moment. One campus organization, the Big Green Marching Machine, combined work with play, earning more than $50,000 to finance partially an eight-day trip to Hawaii for 130 band members and 24 chaperones. Much time was spent practicing and performing, but hours each day were free. Travellers from Palmdale visited Pearl Harbor and the beach, enjoying the relaxed atmosphere of the fiftieth state, either alone or sharing the fun with others. People who stayed in Antelope Valley found things to do too: swimming felt good on the hot days or short trips brought them to the recreational facilities of nearby mountains, beaches, Los Angeles, or amusement parks, such as Magic Mountain.

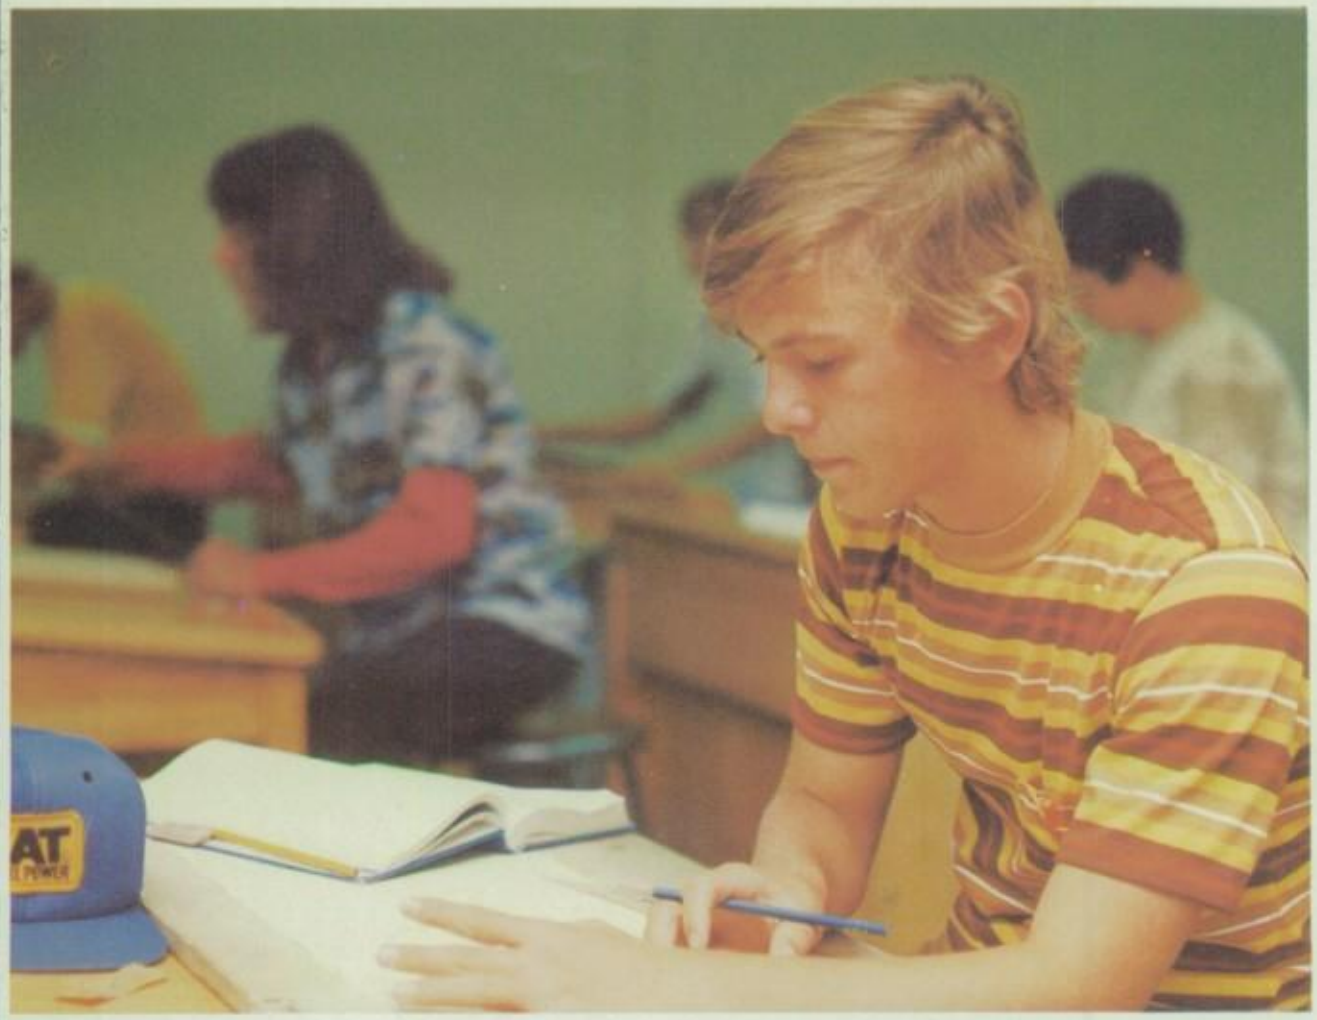
We May Never Pass This Way Again

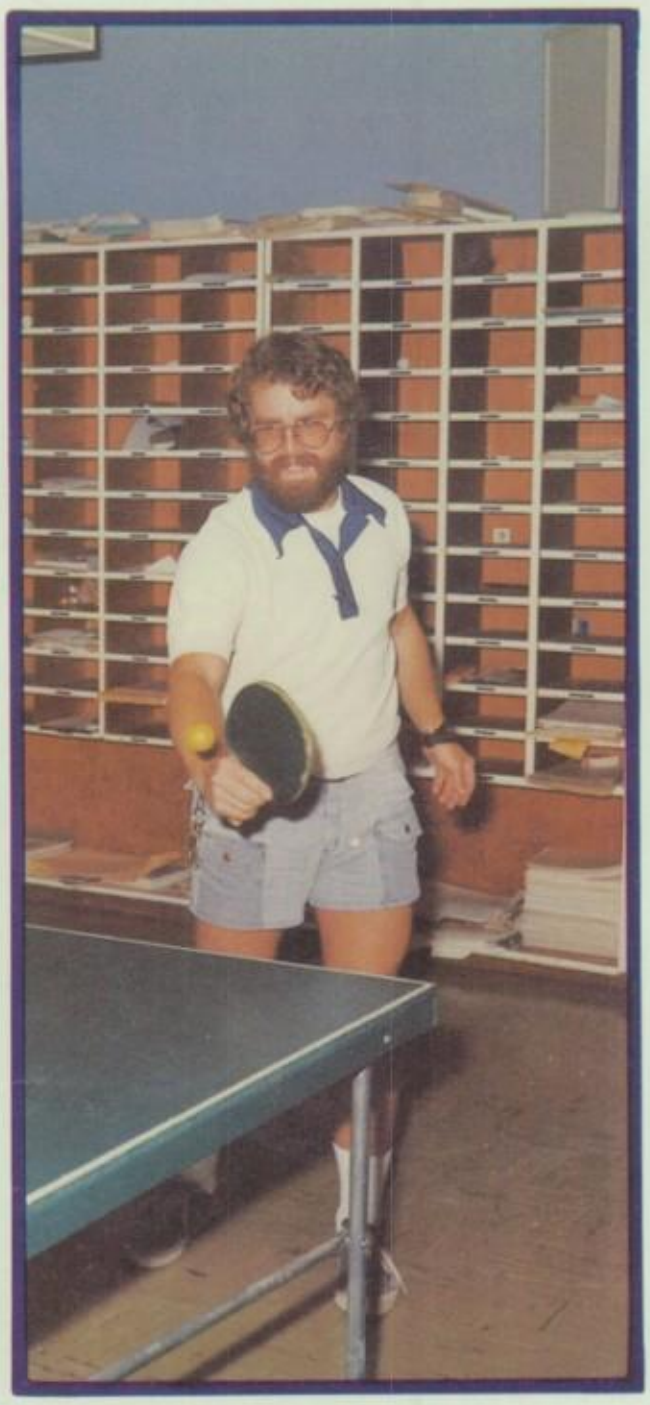
But all the secrets in the universe
Whisper in our ears.

September, 1976, brought rush and the greeting of old friends on the first day of school, in addition to some changes in the routine. Physical education classes became co-ed, but not so the shower and dressing facilities. Juniors and seniors were no longer required to take physical education, but many did. Several new faculty members were added, while returning teachers resumed old competitions.

A new attendance system, using six color-coded cards per student, was adopted. The Board of Trustees encouraged the emphasis in classes to be along the line of the national idea in education: a student who will graduate with a saleable skill.







We May Never Pass This Way Again

And all the years will come and go
And take us up, always up.

A day to be remembered is frequently that special Friday of a home football game. Spirit is emphasized by a pep assembly, complete with skits and encouraging words from the principal. Evening brings the game, with the scoreboard showing the Falcons leading, while Coach Davis encourages a player.

During half-time the Falconette Drill Team, in new uniforms, performs with the band. The cheerleaders and school mascot welcome the team back for the second half.

Enthusiasm follows the win, as students rush to the cafeteria for the two-hour after-game dance.

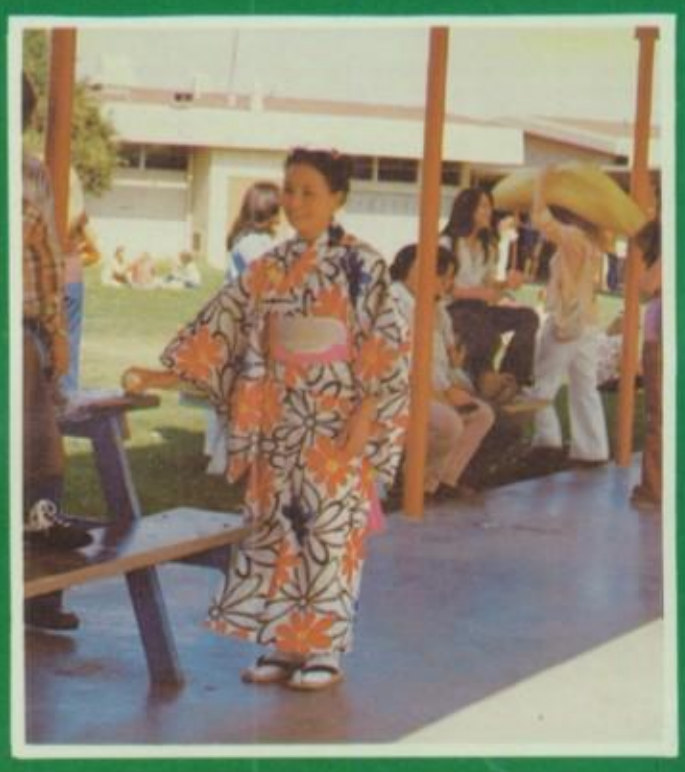
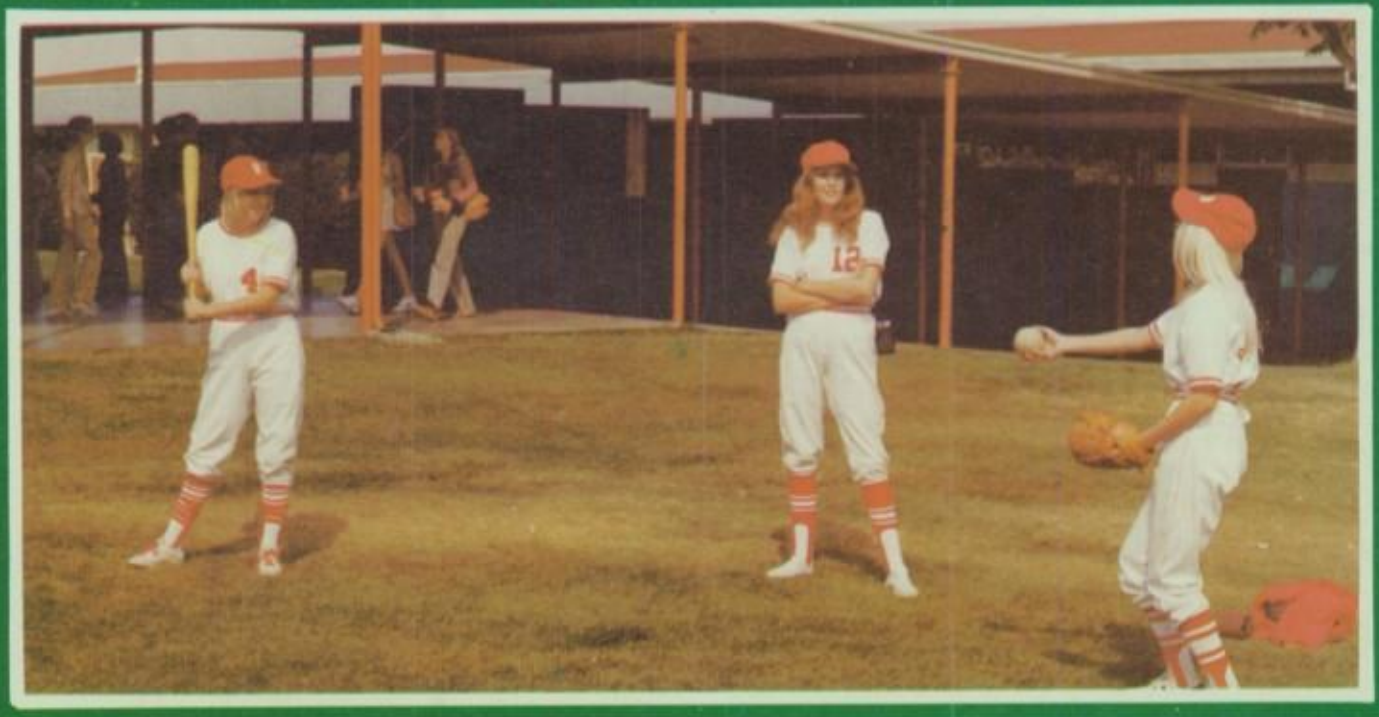
We May Never Pass This Way Again

Dreams — so they say
Are for fools
And we let them drift away.

Dreams were part of reality for five days in October when Palmdale celebrated its twenty-first Homecoming. Faculty and students enjoyed wearing grubby clothes on Monday. Tuesday costumes appeared as Tourist Day was celebrated; many chose to wear clothes representative of their ethnic heritages; others used imagination, appearing even as visitors from outer space. Wednesday was Fifties Day, with slicked-back hair, black leather jackets, long dresses, and a sock hop. The senior girls defeated the juniors in the annual Powder Puff football game, complete with Francis Maikai as King and football players as cheerleaders. Thursday everyone appeared in sporty attire, while Friday was Alumni Day with school colors in evidence.

Friday night Palmdale defeated Apple Valley. Half-time was the formal presentation of the Court, seven girls chosen by a student-body vote. Kelly Tahsuda was crowned queen and reigned at the semi-formal dance after the game.





We May Never Pass This Way Again

Like Columbus in the olden days
We must gather all our courage,

If education is to reflect the nation's society, continual contact with the world beyond the high school campus is essential. In the hours away from school students search for freedom, excitement, or peace. Cruising Lancaster Boulevard, eating lunch with friends, and enjoying the nearby mountain resorts are experiences in which students share themselves with others. Riding a Honda through open spaces, enjoying the desert scenery, relaxing after a back-packing trip, participating in ethnically or politically-oriented community activities, or enjoying a favorite holiday - each activity is a step toward self-identity. Life's experiences are discovered: always changing, ending, beginning, arriving, leaving.

We May Never Pass This Way Again

Sail our ship out on the open sea
Cast away our fears
And all the years will come and go
And take us up — always up.

A variety of classes, from drama to chemistry to band, allows a person to pursue individual interests. Extracurricular activities encourage students to develop additional skills. The final goal for each student is to become a productive member of society. Leaving Palmdale High School, many will continue their education, specializing in innumerable areas. The school and community can not be separated; the school teaches the skills the community requires; the knowledge learned today will be applied in the community tomorrow. Past graduates of PHS and parents of present students worked on the space shuttle which brought national recognition to the city of Palmdale. The science fiction of Star Trek became partial reality at the formal roll-out ceremony in late September.

'Summer, Our Time Of Year' Is Song Of Palmdale Students For 3 Months

As usual summer came and went too fast. PHS students enjoyed being stretched out on a blanket in the sand, while people of all ages visited the many amusement parks. The first week in September the Antelope Valley Fair brought record-breaking attendance. All ended on September 1 when rush was scheduled, with make-up being the next day. Students were treated to a long weekend because of Labor Day. Schedules were collected on September 7, and classes began. A holiday on September 9 created a three-day opening week, but by September 13 the 1976-77 school year was in full operation.

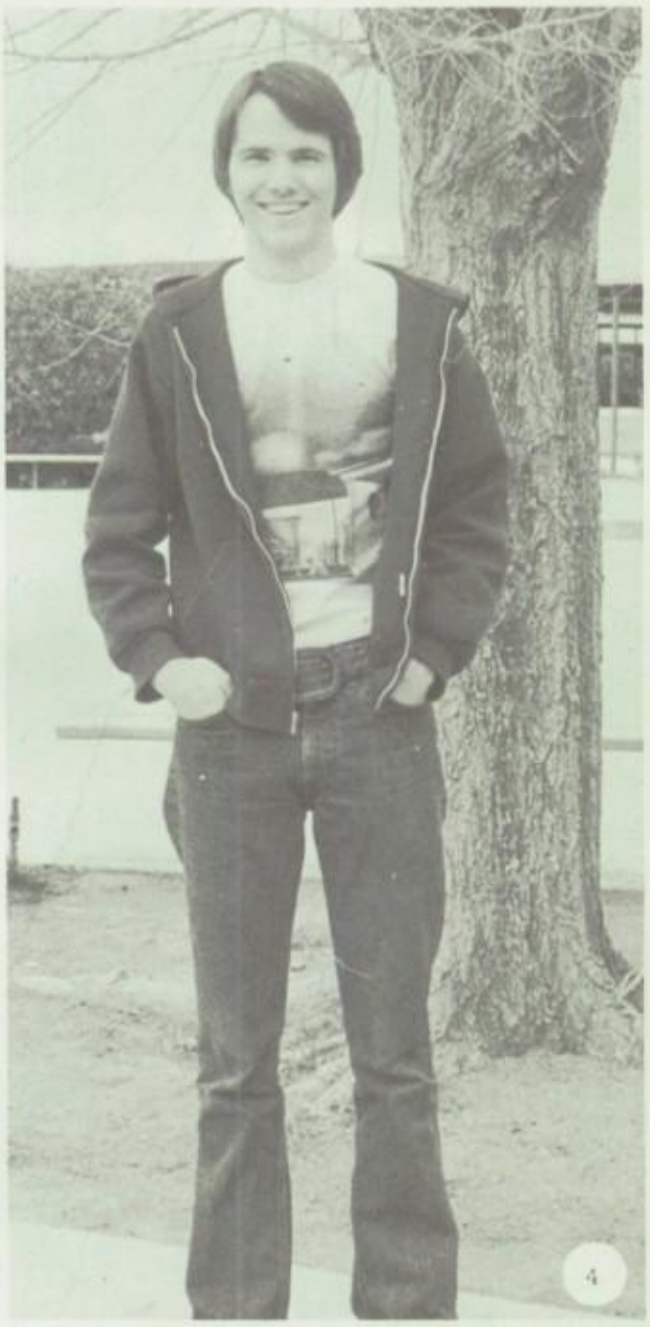
E. Mallory, J. Madison Represent PHS At Girls', Boys' State Conventions

Chosen as Palmdale's representative to Girls' and Boys' State for the past summer's conventions were Ellen Mallory and Jeff Madison. Sponsored by the American Legion, the program is designed to teach fundamentals of leadership and our system of government.

Both students attended conventions at California State Universtiy in Sacramento.

Ellen was elected Stanford County Sheriff, while Jeff served as Assistant Press Secretary. He was also on the platform and election board.



1. Ellen Mallory is sworn in as Sheriff of Stanford County. 2. Jeff Madison brings back happy memories as he looks at information from Boys' State. 3. AFS Sponsors 2 Exchange Students; 2 From PHS Study in Other Countries

The 1976-77 American Field Service Club members offered many activities to the two foreign exchange students, keeping them busy with trips to Big Bear and hikes to Devil's Punch Bowl.

Twenty foreign exchange students from various high schools visited Palmdale during the fall.

Fund-raising activities included a pancake breakfast, and the Club sold stockings at Christmas.

Two AFS students from Palmdale left after Christmas to study in foreign countries. Hillary Cole will spend a year in New Zealand, while Dan Bedner studies in Kenya.

ASB Encourages Activities, Sponsors Dances, Works to Repeal Senate Bill

The Associated Student Body officers spent a busy first semester planning activities. After opening with the traditional Howdy Hop Dance, they began preparing for Homecoming Week.

Much of the time this fall was spent working for the repeal of Senate Bill 120 which will prohibit the sale of most of the food now handled by the ASB concessions.

ASB also sponsored the Donkey Basketball game and all the assemblies.

Nature, National Events Combine To Create Unique Year For School

National news events and natural phenomena combined to create an exciting year for the city of Palmdale and Palmdale High School.

The space shuttle, presented to the public in the fall of 1976, was moved to Edwards Air Force Base early in 1977. The paired 747 and space shuttle orbiter began test flights early in February, and the tests continued into March.

The national presidential election saw Jimmy Carter win. A bet between senior Scott Valdes and government teacher Mr. Gerald Wilson led to an exciting lunch event. Mr. Wilson had backed the loser and had to push a peanut with his nose from the Administration Building to the Activities Office.

The national energy crisis led to a lowering of thermostats on campus, but warm weather helped as southern California enjoyed unseasonable weather. The drought in northern California led to an appeal from the District in March to conserve water and electrical energy.

The Palmdale Bulge was discovered to be more extensive than originally believed, and frequent forecasts predicted a major earthquake. Extensive planning was completed by the city and District, with students, faculty, and parents becoming involved.

SPECIAL BULLETIN

To: PALMDALE HIGH SCHOOL STAFF
From: MR. SIEGEL
Subject: CONSERVATION OF ENERGY

In accordance with President Carter's voluntary directive regarding gas conservation, all thermostats will be set at 68°, effective Monday, February 7.
You are advised to dress accordingly.
Please do not tamper with the thermostats once they are set.
Thank you.

7 Girls Named To Homecoming Court; Kelly Tahsuda Chosen As 1976 Queen

During half-time of the Palmdale-Apple Valley game the 1976 Homecoming Court was presented. The Court consisted of four senior princesses: Theresa Hares, escorted by Tim Gudim, Jandie Sabo, escorted by Craig Lindeen, Valerie Sparks, escorted by Randy Kutcher, and Kelly Tahsuda escorted by Ted Roybal; the junior princess Dawn Swiech escorted by Laine Hernandez; the sophomore princess Linda Dale escorted by Brian Hayes; and the freshman princess Beth Corbett escorted by Mike Rime.

Mr. Robert Brister introduced each of the princesses. The name of the Queen was revealed in a light exhibition at the north end of the football field. A fireworks display followed the announcement.

The Court reigned after the 26-6 victory at the after-game dance, sponsored by the Senior class. The music was proved by Etc.

Many Events, Special Costume Days Highlight Homecoming Week For 1976

This year Palmdale High School celebrated Homecoming Week from October 18-22. During this unusual week campus was invaded with a variety of strange visitors: on Monday it was sloppy bums and hobos, Tuesday unknown visitors from all over took over campus; Wednesday be-boppers bopped onto campus; Thursday super jocks of every sport demonstrared their enthusiasm; and Friday some old familiar faces came back to school for Alumni Day.

On Wednesday be-boppers "rocked around the clock" at the sock hop sponsored by the sophomore class, while victims were being knocked around on the pillow joust.

F. Maikai Is Named Powder Puff King, As Senior Girls Beat Juniors, 24-18

On a rainy Wednesday night during Homecoming Week the annual powder puff football game, sponsored by the Pep Squad, saw the senior girls slip by the juniors, 24-18.

Coaching the senior girls were Mr. Al Chronister and Jeff Moore. The juniors were coached by Mr. Frank Buda, Mr. Tom Gayler, and Mr. Dave Gross.

During half-time Francis Maikai was crowned as king. Runners-up were Craig Lindeen and Ronnie Moore. The teams were cheered on by junior and senior boys dressed as cheerleaders.

Faculty Team Defeats Students 34-32 In Annual ASB Donkey Basketball Game

The Palmdale faculty defeated the student team 34-32 in the traditional donkey basketball game sponsored by the Associated Student Body. ASB made $426 in ticket sales. The students who participated were Mary Bartholomew, Priscilla Courtney, Brad Foss, Cindy Fraasch, Brian Hayes, Eric Johnson, Jeff Moore, Joe Nicolulis, Jari Northcutt, Dawn Swiech, and Scott Valdes.

Playing for the faculty were Mr. Gordon Carlson, Mr. Kay Carver, Mr. Paul Gray, Mr. Jim Laiben, and Mr. Earl Sherburn.

Third Period Photojournalism Class Allows More Time For Photographers

Mr. Jim Gardner's third period class is a combination newspaper-photojournalism period. Several of the yearbook photographers were enrolled in this class, giving them additional time to shoot, develop, and print pictures for the yearbook.

A photojournalist must be a dedicated person. The position can be time-consuming as students must attend innumerable school and community events. In addition, these photographers must learn to make beautiful pictures out of ordinary subjects and always be ready to accept the criticism of those to whom the photos are submitted.

Mr. Gardner worked with the yearbook photographers, adviser, editor, and other staff members to produce many of the pictures in this year's book.

Incoming Students Are Introduced To School Campus by Senior Guides

Students who are new to Palmdale, either at the beginning of a semester or after a semester begins, are introduced to the school campus by a senior guide. During the final semester of their third year, juniors apply for the honor.

Mrs. Florence Graham, Guidance Specialist, is in charge of the program. She emphasizes that a student's reaction to the school is frequently dependent on the senior guide assigned to him or her.

The senior guide makes certain that the student understands various school situations, such as the schedule, off-campus passes, and attendance procedures. In addition, the senior guide helps a new student find his locker, check out his textbooks, and learn the location of his classrooms, plus introducing the new student to each of his teachers.

Varsity Squad Attends Summer Camp, Learns New Ways To Increase Spirit

During the past summer members of this year's Varsity Pep Squad attended San Diego State University cheerleading camp. Songleaders received a trophy for "Hardest-working Group." Cheer and song leaders won various ribbons.

Some of the fund-raising activities included car washes, bake sales, bottle drives, and the sale of candy canes during the Christmas season.

The Squad competed against other Valley high schools at A.V. College in November. Much time was spent developing and practicing new cheers and songs and in discovering ways to increase school spirit.

Junior Varsity Pep Squad Encourages Enthusiasm for Lower Level Teams

This year's Junior Varsity Pep Squad consisted of juniors and sophomores. For all but one this was their second or third year as cheerleaders.

To raise money they had bake sales and a candy cane sale at Christmas. They participated in the Christmas parade and performed at football games and half-time at basketball games, in addition to encouraging lower level teams during the spring sports season, including the girls' teams. Head Cheerleader for the junior squad was Shelley Hunt.

Freshman Cheerleaders, Pep Club Work Together to Encourage Spirit

The Freshman Pep Squad, not chosen until after school began this year, spent the first several months learning the cheers and songs. This lower level squad was added several years ago to provide encouragement for the freshman and sophomore teams.

The freshmen participated in and assisted with the majority of the activities and money-raising projects of the Junior Varsity and Varsity Pep Squads. Money raised is used for uniforms, camp expenses, and various ways to provide encouragement for the athletic teams.

Miss Jayne Seiffer taught the Pep Squad class the first semester and sponsored all the three levels.

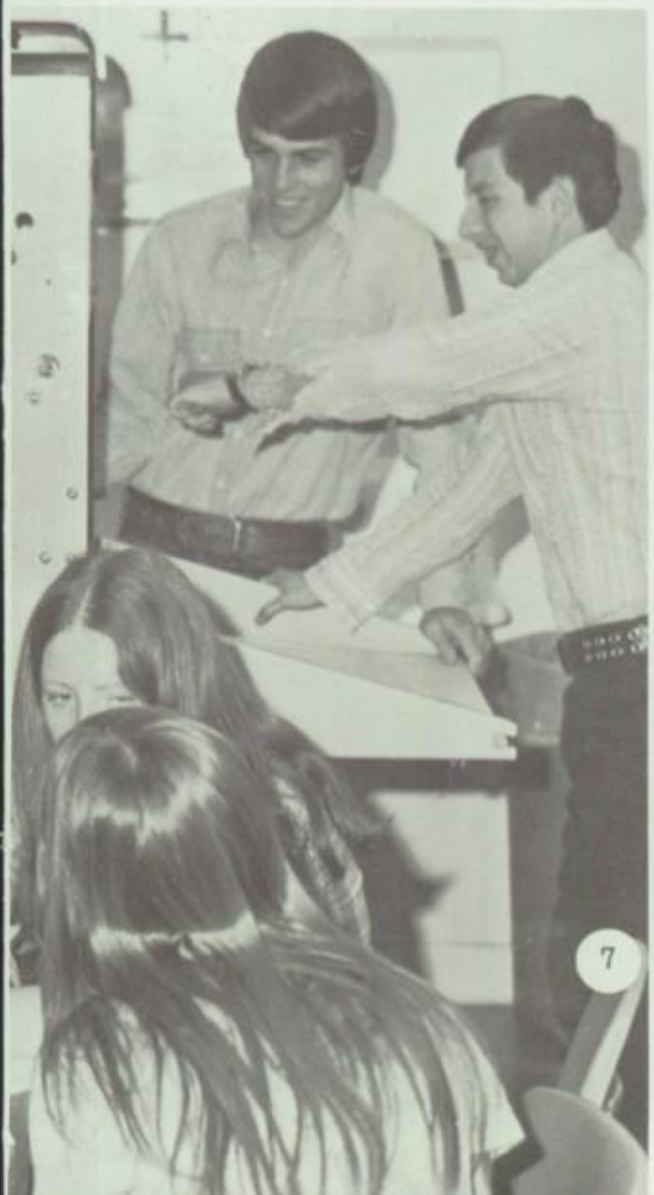
'Talon' Begins Publishing Biweekly; Students Work To Improve Coverage

The "Talon" staff is enjoying its most successful year yet, according to Mr. Jim Gardner, adviser. As the main project of the period three journalism class, the student newspaper is published to inform and entertain the PHS student body.

"An effort is being made to upgrade the paper and make it the best school paper in the Valley," explained Mr. Gardner. "Staff members are proud of their efforts and have entered several newspaper contests to see how the paper ranks."

The "Talon" is published every two weeks. It covers the news and events in and around the school. Usually in-depth articles are included on subjects of concern to students.



Jazz, Symphony Bands, Wind Ensemble, Auxiliary Unit Represent PHS Often

The big event for the Band and Conductor Mr. Earl Sherburn was the trip this summer to Hawaii. Activities began soon after their return to earn the rest of the money they had needed, and performances began early in the school year.

The Jazz Band played for all home basketball games, participated in the Bandorama in December and performed at the Neff Jazz Festival and the Reno International Jazz Festival. They hosted the High Desert Festival, plus performed at the winter carnivalle concert and the spring concert. This is the top instrumental group on campus.

The Symphony Band also makes up the marching band which performed at all home football games, as well as eleven parades, including four local ones. The Symphony Band participated in the winter carnivalle, the spring concert, the Antelope Valley District Music Festival, the District solo and ensemble festival, and the Desert and State Honor band programs.

The Auxiliary Unit, in addition to participating with the Marching Band at all the above functions, competed in the Arroyo festival for small precision teams in the fall and at the state finals in the spring.

The Wind Ensemble was new this year. Mr. Sherburn explained that this is a very select group of 50 instrumental musicians who play modern band music. They participated at the A.V. District Music Festival, the winter carnivalle concert, the spring concert, and graduation.

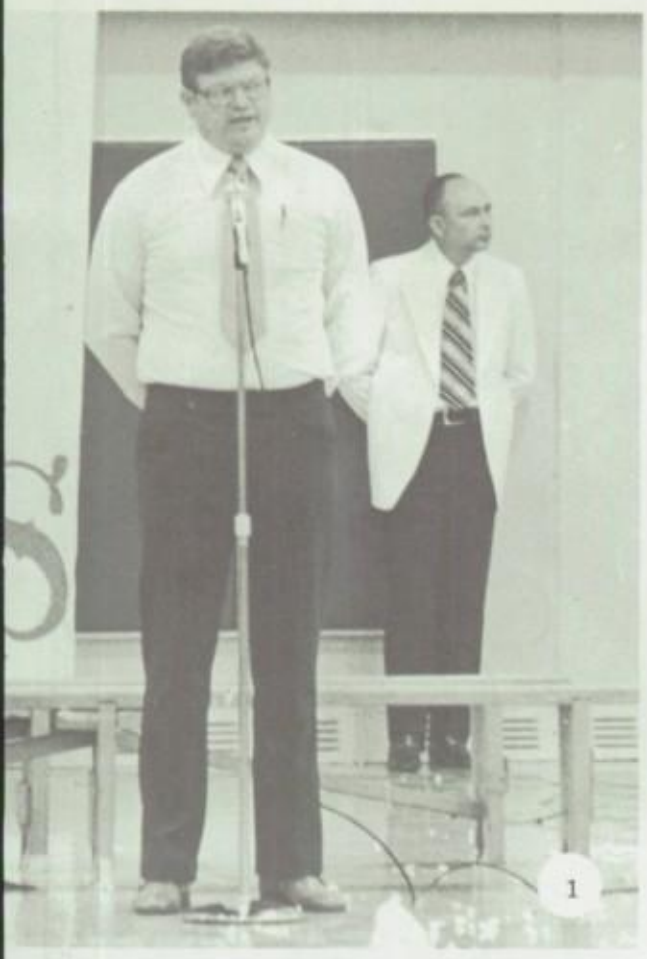
Pep, Music, Several Other Special Assemblies Scheduled During Year

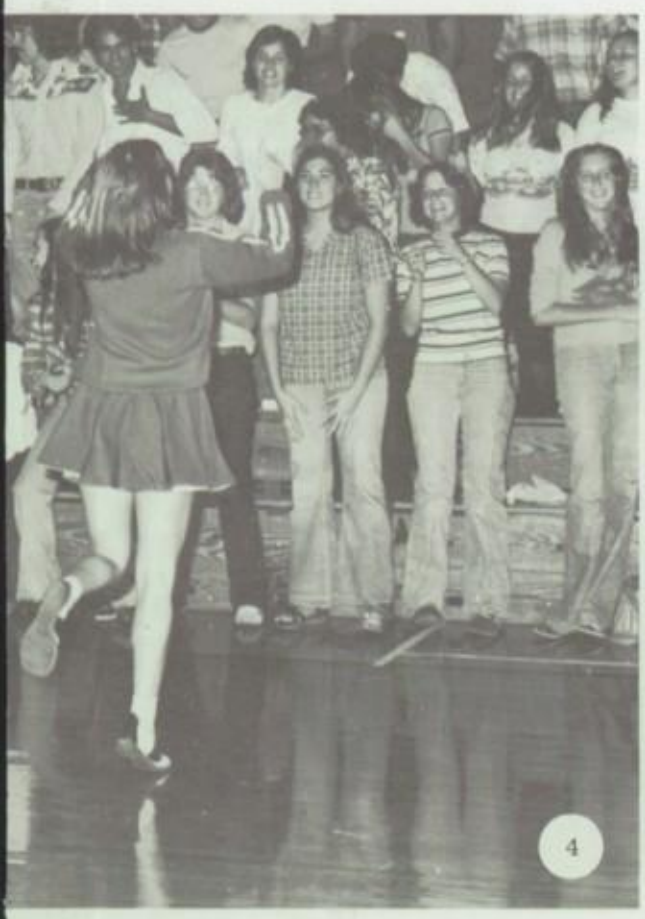
There was a variety of assemblies this year, starting with several pep assemblies. Introduction of teams and a variety of skits promoted spirit.

Later assemblies included one on energy, the production of it, and conservation.

The Edwards Honor Guard was present for the assembly during Black History Week. At this assembly only juniors and seniors attended.

In addition to special musical programs, the usual class assemblies were scheduled.





1. Coach Davis introduces the Varsity Football Team. 2. Even Joe Nicolulis and Eric Johnson, football players, become involved in the skits planned by the pep squad. 3. Tyria Franklin and Vanassa Clark were part of the assembly during Black History Week. 4. Mary Bartholomew leads the crowd in a cheer. 5. Jimmy Sabo was the winner of the "Sexiest Legs Contest." 6. Trent Andrejcik, Rod Weeks, and Greg Hamilton show a variety of facial expressions at the pep assembly skit.

Falconettes Choose New Uniforms; Perform Locally, Away; Plan Show

New uniforms were the big news for the Drill Team this year: 50 at the cost of $5500. The new uniforms include a dress, hat, overlay, and cape, with the last two being reversible so several combinations are possible.

The District financed $2000 of the cost; the Falconettes raised the remainder by the sale of candy, spirit buttons, stationery, and social security cards and by the sponsoring of the Sadie Hawkins dance on April 15.

The Falconettes performed at most home football games, six away parades, five local parades, and an Antelope Valley Junior College football half-time. In addition, they entered competition at Arroyo High School.

The annual spring show was in May with all members participating. The captains created the routines which included one designed especially for seniors. Approximately ten routines were included, and the girls designed all costumes and scenery.

The annual awards banquet was scheduled for May.

Christmas Ball, First Formal Dance Of Year, Sponsored by Choral Union

The 1976-77 Christmas Ball, sponsored by the Choral Union, was held in the school cafeteria on December 19, one day after Christmas vacation began. This was the first time in three years there has been a Christmas Ball.

Between 75 and 80 couples attended the first formal dance of the year. Five senior girls were on the Court, with Karen Daniel being voted Queen.

Entertainment was provided by "August," and refreshments were served throughout the dance.

Financial Difficulties Face Spring Associated Student Body Officers

The Spring Board of Control was faced with financial problems created by a loss of revenue from spectator sports. The deficit was off-set partially by concession sales.

The deficit created problems for the ASB, with these problems being increased because of inflation. While ASB has supported many school clubs and activities in past years, this year the officers were forced to limit expenditures.

The Board of Control also became extensively involved in the smoking problem on campus. A survey was taken concerning a smoking area. In cooperation with the administration, ASB tried to clear the restrooms of smokers so the facilities could be available to non-smokers.

Model United Nations Delegations Attend Bakersfield, Riverside Meets

The Model United Nations students this year had the chance to compete at both Bakersfield and Riverside.

The countries represented at Bakersfield were the United Kingdom, Greece, Mauritania, and Mozambique. The countries represented at Riverside were Oman, Guinea Bissau, and Mozambique.

Each conference lasted two days, with a variety of topics being discussed. Each country had an ambassador as the head of the country, with a delegate being assigned two topics to debate. Each delegate had an alternate and sometimes an observer.

The advisers this year were Mr. Mike Dutton and Ms. Inge Nagel. The participants in the Model U.N. program sponsored a dance for fund-raising purposes.

Junior Honor Scholar, Mathletes Clubs Promote Higher Scholarship

The Junior Honor Scholar program, originated by Principal Rex Fisher, encourages the individual student to accept additional responsibility to utilize his time more efficiently and to motivate students to improve their scholastic status.

Juniors who have maintained at least a "B" average and have had satisfactory citizenship grades are eligible.

The Mathletes, not actually a club but an academic team, is restricted to those students enrolled in advanced math classes who qualify on a competitive exam basis. They competed against mathematical teams from other schools approximately once a month this year. Matches were against Desert, Kennedy, Bishop, Trona, Quartz Hill, and Tehachapi.

California Scholarship Federation, H.S. Program Require High Grades

The Senior Honor Scholar Program is a continuation of the junior program. Students are encouraged to identify their strengths and weaknesses and plan a program accordingly. The same academic requirements apply for both juniors and seniors.

The California Scholarship Federation, Palmdale's honor society, attempts to ecnourage and maintain a high standard of scholarship, citizenship, and service. Membership is not automatic since a student must apply during the first five weeks of each semester. Freshmen may apply on an honorary basis after their first semester.

Students who have been CSF members four of their last six semesters are Seal Bearers at graduation. This year they will wear gold robes and caps, a change from past years. Approximately 150 scholarships, ranging from $100 to $2000, are available in California to CSF Seal Bearers. Sponsors are Mrs. Dar Hoover and Mr. H. Scioneaux.

Senior Class Spends Much of Year Preparing for Graduation in June

The Senior Class sponsored the Homecoming Dance and was responsible for placing the Christmas tree in the Administration Building during the holiday season.

During the second semester a survey for the class name was taken and an assembly scheduled to discuss the name, motto, and Grad Night.

Seniors were measured for caps and gowns and chose a design for their graduation announcements. They were honored at the annual Prom on May 20.

Graduation was June 9, with Baccalaureate on June 5. The seniors went to Disneyland on June 10 for Grad Night.

Juniors Discover Sponsoring Prom Can Be a Time-Consuming Activity

The class of 1978 was busy most of the year preparing for the Junior-Senior Prom. Under the leadership of Ms. Gloria Dizmang, the class sponsored a car wash and other fund-raising activities.

First semester president was Lee Schwabe who was concerned about the lack of interest in the class.

Priscilla Courtney as second semester president had a big job ahead of her. She organized several committees to work on the Junior-Senior Prom which was held during May.

Sophomore Class Officers Organize Annual Magazine Sale, Choose Rings

The Sophomore Class officers organized and conducted the annual magazine sale during the first semester. In addition, various styles of rings were considered, and sophomores ordered their class rings. The semester ended with a party for the class officers. Second semester officers worked to increase the money in the treasury. A bake sale, candy sale, and pin sale were scheduled in an effort to raise money for the Prom which the class will sponsor next year.

Art, FHA, FSA, Computer Clubs Combine Academic Experience, Fun

The Art Club is open to any student interested in the subject. The club has painted windows for businesses in the community for the Fair or Christmas holidays. Members also designed posters and painted backdrops for school stage productions.

The Future Homemakers of America had several sales to raise money to send students to the three-day state convention. The goal of this organization is to help members improve personal, family, and community living.

Membership in the Future Secretaries of America is open to any student in the last three grades who is enrolled in a business subject. The purpose is to encourage interest in the secretarial profession.

The Computer Club, new on campus, has given students experience in programming and technology. They have done some biorhythm charts for faculty members.

Academic Clubs, Such as Spanish, Biology, Increase Formal Teaching

Spanish Club activities included participation in the Palmdale Hacienda, the selling of chili at home basketball games, the sponsoring of a Mexican dinner on campus, and the selling of candy.

The club visited El Mercado in Los Angeles, viewed Las Posadas at Olivera Street, went to El Toreo for lunch, visited Goez Art Studio in East Los Angeles, and took trips to Magic Mountain and Disneyland.

First semester president was Scott Valdes; second semester, Sylvia Miller. Vice-president for first semester was Nanette Martin; second semester, Imelda Ramirez. First semester secretary was Marilyn Padilla; second semester, Denece Bones who was first semester treasurer. Second semester treasurer was Charlotte Pollock.

The Biology Club adventured to the L.A. County Museum of Natural History in December and went whale watching in March.

In the Biology Club officers served for a full year. President was Manuel Ramirez; vice-president, Chris Yentes; secretary, Sylvia Miller; and treasurer, Donna Lane.

Future Farmers of America Involved In Varied Activities All Year Long

The Future Farmers of America began generating interest for this year's activities in May at their banquet where new officers were named. On July 11 the club went to the High Sierras, and July 23 they visited Magic Mountain.

August 3 was their summer meeting, and August 30-September 6 FFA members participated in the Antelope Valley Fair.

During the football season they had a concession stand to raise money for the club.

During the holidays they entered a Christmas float and took second place. They distributed Christmas baskets and went caroling at the A.V. Convalescent Home.

In softball and volleyball the club took second, and in sectional bowling they placed first.

In sectional Parliamentary Procedure, Public Speaking, and the Creed Contest, the Palmdale Chapter placed first in all three categories.

February 21-26 was FFA Week. They had egg tossing, balloon tossing, a three-legged race, a tug-of-war, a night meeting, bowling, and a box lunch social.

Drama Interest Promoted by PHAW; ACT Earns International Charter

Two drama organizations exist on campus PHAW and ACT Membership in the Palmdale High Acting Workshop is available to any student with a definite interest in drama.

The club performed several productions this year, starting with "Pfeiffer's People," which was their fall production. They also competed in the AV Drama Festival and worked with ACT in "How to Succeed in Business Without Really Trying."

Membership in the Actors in Campus Theater is earned through acting or production work in plays. This year ACT became recognized as a branch of the International Thespian Society.

ACT has worked on raising funds with a See's Suckers sale, and the club joined the Key Club to create a Haunted House at Halloween.

Much time was spent in meeting the requirements to join the international organization and on the induction ceremonies. In addition, members helped with the presentation of the spring musical.

Student Workers Have Numerous Jobs With Individuals in Various Places

A large number of student workers at PHS offer their services. These students gain knowledge and experience for possible future jobs, thus not only helping the staff, but also preparing themselves in getting ready for the future.

There are various jobs available for students: some work in the cafeteria or snack bars; others work with food preparation or assisting the cafeteria personnel.

Some students work in the administration office, taking out passes, filing, or doing numerous other tasks. Still others work with individual teachers, completing assignments given to them by the teachers.

Another job available is working in the Student Store where students become familiar with dealing with the public, while selling supplies, taking inventory, or handling money.

In some instances the students are paid; in other situations students work on campus for class credits.

1. Cathy Bartholomew checks a student's schedule before delivering a pass from the Attendance Office. 2. Sharon Mortimer makes an appointment with a counselor for a student. 3. Athletic, Ski, Tennis Clubs Promote Participation, Enjoyment of Sports

To be eligible to join either the Lettergirls' or Lettermen's Club, a student must have participated one full season on a varsity team. Members of the Lettermen become eligible to purchase jackets to display earned letters, while Lettergirls may buy sweaters.

These two clubs support sports events, in addition to providing association among athletically-oriented individuals. The Lettermen have re-decorated one restroom on campus and take care of it. The Lettergirls will make their annual trip to Magic Mountain instead of Disneyland this year. Sponsors of the Lettermen are Mr. Elmer Hall and Mr. Doug Mapson. Miss Connie Burns sponsors the Lettergirls.

The Ski Club is a new organization. Members have already been to Mammouth for a three-day weekend.

The Tennis Club, now in its second year, encourages all students who are interested in tennis to participate, whether in the annual faculty-student tournament or in community tournaments. The club has scheduled a trip to see the Los Angeles Strings. Sponsor of the club is Miss Sallie Phillips.

Yearbook Staff Heads For Changes, Including New Name, 'The Falcon'

Last year's yearbook staff decided that "The Rocket" no longer pertained to Palmdale High, so they set out to change the name of the book. The student body voted for the change, and in a later vote chose "The Falcon" as the new name.

Summer arrived, and the staff sent LaRae Delaney and Stacy Love to Westmont College to further their knowledge about yearbook production. The new staff members had been selected shortly before school ended, and new and old staff members sold advertising to supplement the cost of the yearbook, which will be about $15,000 this year.

The year started with seven old staff members who had to teach the rest about layouts, copy, headlines, cropping, and the most natural skill of all (which came naturally): panic before and on deadline day.

South Antelope Valley Coordinating Council Sponsors Youths of Month

Each month during the school year the South Antelope Valley Coordinating Council (SAVCC) takes the responsibility of selecting seniors to be recognized as Youths of the Month. Seniors from Palmdale High School, Paraclete, and some from Quartz Hill High School are eligible.

The senior's contribution to school, church, and community are the areas considered.

Faculty members nominate seniors, but the final judgment is made by a committee from the Council.

Each month a luncheon is held to recognize the Youths of the Month. Each Youth has a sponsor who presents him or her with a trophy.

Numerous Scholarships Available To Pupils Who Meet Qualifications

Many PHS seniors receive scholarships or recognition from various organizations. The California Association of Compensatory Education promotes a program for educationally disadvantaged seniors so they may continue on to higher education. Two from each school are entered in the state competition.

A student who ranks in the top two percent of the PSAT nationwide is named as a Commended Scholar for the National Merit Scholarship Program.

Faculty members nominate students to compete for the Gemco Scholarship Awards. The three semi-finalists from PHS compete against other local students for a first place scholarship of $1500.

Bank of America awards are given in four general areas: Fine Arts, Math and Science, Liberal Arts, and Vocational Arts. The finalists represent Palmdale in zone competition.

The Century III Leaders' Scholarship is awarded to the student for his or her ability to inspire America's youth to become involved in community and social issues. This award is sponsored by Shell Oil Company.

The General Mills Search for Leadership in Family Living award is determined by an exam. Winner of the award this year was Debra Redwine.

Choral Union Joins Several Choirs, Promotes More Involvement in Music

The Choral Union is a club designed for those interested in music. It has several fund-raising activities to enable the Choral Union to sponsor concerts and such events as the Christmas Ball.

The Choral Union has two concerts each year, the Christmas Concert and the Spring Sing which features all the choir classes. The Vocal Chorale, a small group of the best singers, also has its own show in May.

Mr. Paul Yale is sponsor of the Choral Union, as well as teacher of all the choir and chorus classes.

Students Replace Teachers, Other School, District Staff on March 10

On March 10 Palmdale held its third annual Education Day, under the supervision of Mrs. Barbara Taylor, Career Center Guidance Technician.

Students were allowed to take the positions of any staff member at the school, including the administrators, teachers, clerical people, and maintenance personnel. In addition, students could replace staff people at the District Office.

To qualify a student needed to be aware of the class or position he or she was to teach or hold. Teachers were allowed to request specific students, or students could request a specific teacher or position.

Juniors Present Prom for Seniors At Los Angeles Bonaventure Hotel

The Hotel Bonaventure in Los Angeles was the scene for the 1977 Prom, on May 20, sponsored for the Seniors by the Junior Class.

Bids were $28 and included the dinner of Doube de Boeuf Bourguignonne, plus the transportation, and dance.

Several hotels had been considered, but the Bonaventure was reserved even before it was completed. This hotel has been the setting for many major society events recently.

Clubs nominated members for the Court at the cost of $10 which was returned if the nominated girl was chosen for the Court. Only juniors and seniors were allowed to vote. Court finalists were Cathy Bartholomew, Mary Bartholomew, Ellen Mallory, Leanne Rowland, and Margo Soza.

Prom committees included the following: band, menu, photo, and court. Priscilla Courtney and Greg Bair did much of the work under the direction of Ms. Gloria Dizmang, Junior Class Sponsor. Chaperones were Mr. and Mrs. Mike Dutton, Mr. and Mrs. Mike Hanlon, Mr. and Mrs. Bill Lindeen, Mr. and Mrs. Francis Maikai, Mr. and Mrs. Lynn McClung, and Mr. and Mrs. Leonard Tahsuda.

Coach Davis Creates New Attitude, But Falcons Lose Tough League Games

Incoming Head Coach Jack Davis brought the Palmdale High Varsity Football team a new attitude and high hopes. The team played a tough schedule but looked very strong in pre-season.

In the first three League contests the Falcons fell short, losing all three by a total of nine points, with the toughest loss being to Barstow, 16-15. The next two games were on the brighter side with the Falcons coming out on top in both occasions. In the final two League contests the Falcons lost to Kennedy 15-0 and Antelope Valley 34-8. Both Kennedy and Antelope Valley, in addition to Quartz Hill, went to CIF. The overall record was 3-6-0, and the League record was 2-5-0.

Sophomore, 2 Frosh Football Teams Allow Record Numbers To Compete

Three lower level teams had a rebuilding season this year, with time spent learning a new system and new plays. The sophomores ended the season with a 2-7-0 record and a 2-5-0 in League play.

A record-breaking number of freshman boys competed this year. The frosh "A" team ended with a 5-4-1 record, having played five Golden League teams and five from outside the League. The Frosh "B" team ended with a 1-6-0 record.

Volleyball Takes Golden League, Advances To Quarterfinals In CIF

The Falconette Volleyball Team not only earned the Golden League Championship but also won two rounds in CIF competition before losing to Sante Fe, the eventual state champion, in the quarterfinals. Coach Connie Burns said this was the best team she has coached not only because of their skill but also because of their momentum and consistency. The season record was 18-4 with 12 wins and two losses in Golden League competition.

Three of Palmdale's players chosen for the All Golden League Team: Cynthia Jones, Janet Skinner, and Lucy Sprau. Janet was named the best player in the League for the second consecutive year. Early in the season Stephanie Hicks and Cynthia Jones were named to the All-Tourney team.

The Junior Varsity Volleyball Team took first place in the JV tournament in September. They lost only two matches all season, one to A.V. and one to Quartz Hill for a season record of 15-2-0, a League record of 12-2-0, and a second place finish.

Added this year was a Freshman Volleyball Team. Competition was limited since not all Golden League schools have freshman teams. Palmdale's newest team played six matches against League teams and six other matches, ending the season with a 9-3 record.

Falcons Make Complete Turn Around; Experienced Runners Give New Look

This year's Palmdale Cross Country Team had the best year in the history of the school. Second-year Head Coach Gerald Strangio put together a team consisting of 21 boys and several girl runners, one of whom was Celia Madison who set two new course records this year.

Coach Strangio indicated that many of the team's members ran between 500 and 700 miles during the season. He added that many of the runners realized that cross country is a full year sport that requires daily work.

Experienced runners John Johnston, Gary Maytum, and Jerry Maytum, were the nucleus of the team. The Falcon's record was 5-2 and 4-2 in the League, quite an improvement over last year's single League win.

Girls' Tennis Takes Golden League Championship For 5th Straight Year

The Girls' Tennis Team started the year by winning their own tournament as a team, with the number one duo of Shelly Herman and Jandie Sabo taking the doubles title and Stacy Love placing second in the singles competition. Linda Mallory took second in the freshman-sophomore division.

The netters finished their season 18-0, with League being 14-0. There were only two close matches, both against Victor Valley. The CIF qualifying tourney took two Golden League singles and two doubles into further competition. Donna Morris was the only Falcon to qualify, going as the number two player. Donna is the first PHS girl to ever compete in the CIF Individual Tournament. First round of CIF saw Palmdale draw the seeded Troy team. The Birds fell with a close score of 11-11½.

The Varsity Falcons earned their fifth consecutive League title, while the Junior Varsity took the championship for the ninth consecutive year. This year the lower level team lost to AV in the final League match. This was the first JV loss in nine years. Their final record was 17-1, while their League record was 13-1.

Miss Sallie Phillips was the coach for both the Varsity and Junior Varsity teams again this year, as she has been for the past nine years.

Outsized Varsity Falcons Suffer; Returning Cagers Gain Experience

This year's Varsity Basketball team was very disappointing in the fact that they never played up to their ability, according to Head Coach George Key. Being outsized in every game was probably the biggest disadvantage that they suffered.

Although outsized, at times they played very well but just couldn't put everything together in any one game.

Coach Key is planning for a successful season next year with three key junior players returning to the lineup, plus some talented Junior Varsity athletes.

Young Cagers Gain Needed Experience; Baby Birds Look Forward to Next Step

The Junior Varsity Basketball team had a tough season this year. Many of the top players were moved up to Varsity at times during the season, and this left the J.V. team short-handed.

Overall they had a good team, according to Coach Phelps, but couldn't pull out the tough games. They were led by Randy Kutcher, Mike Pierce, and Jeff Scott, all of whom played in some Varsity games. The Junior Varsity Golden League record was 4-8.

The young sophomore team was in the same situation, with Tom Burleson who moved up to Junior Varsity, and Tyler Beshara and Joe Williams who also saw some time on that level. Still they were in some close games. Coach was Mr. Elmer Hall. Final Golden League record was 1-11.

Freshman Birds Suffer Tough Losses, But Gain in Confidence, Experience

This year's freshman teams suffered some tough losses to taller competition. Although their season wasn't that successful, they did gain much needed confidence and experience, which should be helpful to the upper level teams in the next three years.

The Freshman "A" team played a limited Golden League schedule, with no competition against Victor Valley or Apple Valley. Final season record was 2-8.

The "B" team played three junior high schools and competed against freshman teams from Quartz Hill and Antelope Valley three times each. Their final record was 3-6.

PHS Swim Teams Set World Record By Being in Pool for 5 Straight Days

From 12:01 December 27 to 12:01 January 1, a total of 120 hours, the swimmers on Palmdale's teams set a world record which will be in the Guinness Book of World Records.

The idea, thought of by Andy Richards and Dean Welch, earned over $2000 in pledges. In addition, Arena, Inc., a swim suit distributor, donated 40 swim suits, shirts, and caps.

Local restaurants donated food and Holy Cross Church in San Fernando donated lockers. The money raised is being used to purchase warm-ups and needed equipment.

Each swimmer swam about two hours and there was a swimmer in the pool at all times, even though the temperature fell below freezing during the nights.

Parents of the swimmers were also at the pool bringing food and blankets and offering support.

Boys' Swimming Team Proves to Be Best in Several Years, Says Beddeo

The Boys' Swim Team improved greatly over the teams of previous years, according to Coach Walt Beddeo.

Early in the season Walter Beddeo, Mike Moore, Andy Richards, Mike Wallace, and Dean Welch all qualified for CIF: Beddeo in the 200 and 500 freestyle, Richards in the 100 butterfly, Welch in the Individual Medley, and the team of Beddeo, Moore, Richards and Wallace in the 400 free relay.

The highlight of the season was the victory over Quartz Hill, who had previously been unbeaten, which created a co-championship position for the Falcons.

Palmdale hosted the CIF qualifying meet at McAdam pool on March 24 with all Golden League teams participating.

Girls' Swim Team, in Third Year, Has Strong Chance in Golden League

After only three years of competition, the PHS Girls' Swimming and Diving team looked strong and hoped for a successful season this year.

Although not losing many swimmers to graduation, Coach Walt Beddeo hoped to pick up several new swimmers. He expressed pleasure at the fact that many of the competitiors are underclassmen who will contribute to a stronger team in the future.

Last year's record was 4-4, with the girls swimming twice against four League schools. Most of their strength was in the long distance events. The Diving Team was added last year. For 1976 winning the Most Improved Varsity trophy was Pam Ioder. The winner of the High Point Award was Denise Taylor.

Wrestling Team Earns Fifth Place; Young Teams Prove to Be Respectable

This year's wrestling team was young but should prove to be tough in the next two years. The season ended with a fifth place finish, an overall record of 9-7, and a League record of 2-5. The Varsity will have 11 returning lettermen next year.

This year the Falcons lost to League leaders Victor Valley and Barstow by large margins, but other than these two they were close in every match.

Tim Martinez, Mark Piolatto, and Philip Shanks, along with alternate Randy Alleman, were Golden League finalists and competed in the first round of CIF competition, but they were each beaten.

The lower level wrestling teams had a 7-6 season record. Several of the wrestlers competed on the Varsity level at times.

Third Girls' Basketball Team Added; 1977 Varsity Appears to Be Strong

The Girls' Basketball team had a record from last year to meet but planned on improving on their second place 1976 finish. The team tied with Burroughs behind Quartz Hill.

All three teams went to CIF, but PHS lost to Workman in the first round. The season record for the team was 10-7 with the League record being 5-3.

Janet Skinner was named Most Valuable Player, and Val Sparks, Outstanding Defensive Player. Both girls were on the All-League team and are back this year.

A third team, Freshman/Sophomore, has been added because of the interest. Varsity Coach Miss Connie Burns feels this will improve the overall program, plus increase the number of girls able to participate. Coaching the new team was Mr. Tom Gayler.

This year the Varsity Birds had a strong team with Victor Valley and Quartz Hill the other strong League teams.

Top scorer on the Junior Varsity team was Princella Watkins. Mrs. Cheryl Holland, coach, felt her team was strong, with the rebounding being excellent, usually over 50 percent.

Track Team Looks to League Title; Girls' Team to Be Strong in Areas

Returning CIF qualifiers Gerald Howard and Jeff Williams lead the 1977 Varsity Track Team. Howard's speciality in the long jump, plus Williams' strengths in the hurdles, dashes, and relays did much to improve Palmdale's chances in the Golden League. Francis Maikai proved strong in the shot put.

Last year the Falcons began with six straight dual meet victories before a loss to Victor Valley cost them the championship. A dual meet victory over Kennedy ended the League season at 6-1, second place.

Last year's J.V.'s ended with a 5-2 record, while the Freshman/Sophomore team posted a 3-4 record. Several of the Freshman/Sophomore team members moved up to Varsity this year.

The Girls' Track Team lacked in depth, but did have several outstanding individuals.

Running distance were Eileen Corbett, Celia Madison, Donna Morris, and Val Wilson. Celia Madison, only a freshman, was expected to be a top Golden League contender. Also strong was shot putter Kathy Hoffmeyer.

Boys' Tennis Team Hopes to Better Finish; Junior Varsity Coach Added

The Boys' Tennis Team had four returning lettermen with several strong J.V.'s from last year. The 1976 team tied with Quartz Hill for second place, one match behind co-champs Barstow and Victor Valley, both of which the Palmdale team beat the second half of the season.

Todd Amspoker, 1976 graduate, placed second in the CIF qualifying tourney and was the first PHS tennis player to compete in the CIF individual tournament.

This year Jeff Sadler and Sam Edmonds proved to be top individuals with other positions being rotated by challenge matches, although Marc McAlister and Scott Rees were among Varsity singles or doubles players in most matches.

A new Junior Varsity coach was added this year. Coaching the lower level team was Mr. Milt Miller. With the close skill level between the lower Varsity positions and top Junior Varsity players, this team was quite strong.

Golfers Go for Second League Title, Plus Hope to Qualify Individuals

The 1977 Golf Team had hopes of repeating last year's record when they captured the Golden League title by 22 strokes over Burroughs. The Palmdale team averaged 407.5 strokes per match during the 1976 season.

Joe Delgado, fourth in the League last year with a 78.2 average, and Jeff Forde, twenty-second in the League, were major hopefuls to qualify for CIF.

The loss of Alan Delisle and Darrell Simmons, who moved this year, hurt, but Coach Lynn McClung expected an excellent chance to repeat as League winners, with major competition coming from Quartz Hill.

Players Return for Varsity Softball To Create Strong Chance for Title

Palmdale's Varsity Softball Team expected to challenge Quartz Hill's 1976 title, with several returning top players, including Debbie Brown, Most Valuable Player, and All-Golden League team member Janet Skinner. Last year's record was 5-7, with the Golden League standing being 4-6.

Coached by Mrs. Cheryl Holland, the team this year gained a new pitcher, Linda Mallory, who has had much experience. As last year all games were played at the school.

Mr. Chuck Slay returned as the Junior Varsity coach for the third year. Added this year was a Freshman/Sophomore team which was coached by Mr. Bob Giacoletto.

Gymnastics Team Divides into J.V., Varsity; Mrs. Kahler Is New Coach

Changes were many in the gymnastics program this year. Mrs. Bonnie Kahler was named the new coach, and the team was split into Varsity and Junior Varsity.

Varsity team members competed in Class II, while the J.V.'s were in Class III.

Last year all team members competed in Class III. Last year's record was 4-5, with six of the matches being against Golden League schools. Returning this year was Diane Massarella, 1976 Most Improved Gymnast.

Helping this year was Mr. Derrick Mollenbeck from Northridge. The Gymnastics Boosters Club encouraged him to help with the instruction, especially since the Varsity girls competed in a higher class.

Several pieces of new equipment, including cable bars and a new spring board, were purchased. In addition, a building for storage of the equipment was built.

Diamondmen Look for Good Season, Hoping to Be Contender for League

The Falcon Varsity Baseball Team, under the leadership of first year Head Coach Doug Mapson, planned to improve on last year's 7-7 Golden League record.

With strong pitching, solid hitting, and excellent defense, according to Mr. Mapson, the Palmdale nine had all the ingredients to be a League contender.

Last year's Most Valuable Offensive Player, Craig Rime, was also voted to the 1976 All Golden-League team and was among the top five League hitters last year. Coach Mapson counted Francis Maikai and Fred Tortell among other top players.

The Junior Varsity team ended the 1976 season with a 15-9 record and a third place League finish. Scott Burgermeister, Best Pitcher, and Craig Lindeen, Most Valuable Player, both moved up to the Varsity team this year.

1976-77 Brings Changes, Challenges To AVUHS Board of Trustee Members

The five members of the Antelope Valley Union High School District Board establish the policies and direct and coordinate the activities of the three comprehensive high schools and Desert Winds, the continuation school. President this year was Mr. Jack First, while Mr. Edward Wright served as Clerk. Mrs. Wilda Andrejcik, Mr. Louis Bozigian, and Mr. William Taylor completed the Board of Trustees.

The Board encouraged the development of a standardized curriculum which can be utilized by all the schools, in addition to defining the community use of school facilities and vice versa, among many other major actions.

Several problems are unique to the District which covers the northern half of Los Angeles County. The transportation department carries an average of 2,650 students daily and covers approximately 500,000 miles each year. An additional 88,000 miles are covered in transporting bands, athletic teams, and students on field trips.

Superintendent Dr. Robert Kelly resigned early in 1977 and was replaced by Dr. Robert Stodola who was appointed Acting Superintendent by the Board of Trustees.

1. Dr. Kelly, seated, resigned this year and was replaced by Acting Superintendent Dr. Robert Stodola. 2. Dr. Kelly and Mr. First discuss the agenda for one of the Board of Trustees' meetings. 3. Mr. Louis Bozigian meets with April Mead, PHS Girls' Athletic Commissioner, to discuss the outstanding woman senior athlete banner which Mr. Bozigian is donating to the school. 4. 1976-77 BOARD OF TRUSTEES: Mr. Louis Bozigian, Mr. William Taylor, Mr. Jack First, Mr. Edward Wright, Mrs. Wilda Andrejcik.

Changing Enrollment, Trash, Vandals Are Some of Problems for Mr. Fisher

As principal of Palmdale High School, Mr. Rex Fisher faced some old and some new problems this year. Re-occurring was the litter problem. With recommendations from the Teachers' Advisory Committee, Mr. Fisher finally allowed the snack period to continue, but allowed no food to be sold for several days. The action helped the problem for a time but it re-occurred off and on during the year.

The re-adjustment of classes after semesters began created some problems, plus the loss of some teachers at semester because of dropping enrollment. Vandalism, occasionally extensive, provided still another problem, and the controversy over a smoking area continued.

Positive action included the Junior-Senior Honor Scholar program and continuing communication among the faculty, students, and community to solve the problems.

Mrs. Margaret Kennedy is secretary to Mr. Fisher and in this position helps him handle daily situations.

1. Doing his part to cure the litter problem, Mr. Fisher sets an example for the students and faculty. 2. Talking to a parent about a student problem is a frequent duty of Mr. Fisher. 3. Mrs. Margaret Kennedy is secretary to the principal. 4. Mr. Fisher asks Mrs. Kennedy to type a letter for him.

Vice-Principals Direct Departments, Assign Teachers, Handle Discipline

The three vice-principals in the Administration Building divide many of the school-wide duties. Mr. Logan Houser directs Agriculture, English, ESEA, Industrial Arts, and the Special Education Department, plus handling the campus supervisors.

Mr. Charles Siegel is responsible for Behavioral Science, Foreign Language, Home Economics, Instructional Media, the Library, and Social Studies. He also organizes and directs summer school and the yearbook, and is responsible for visitor control.

Mr. Robert Owens is responsible for the following departments: Art, Business, Driver's Education, Math, Music, the Nurse's Office, and Science. Mr. Owens also plans the master schedule, distributes keys, and assigns period substitutes.

Secretary for both Mr. Houser and Mr. Siegel is Mrs. Jo Tahsuda, while Mrs. Nancy Kovach is secretary for Mr. Owens.

1

3

1. Mr. Logan Houser is responsible for the discipline for half of the student body. 2. Mr. Owens tries to find a way to balance classes. 3. Mrs. Kovach helps with period and all-day substitutions. 4. Vice-Principal Mr. Charles Siegel disciplines the half of the students who are not assigned to Mr. Houser. 5. Mrs. Tahsuda catches up on the filing of the Loss of Merit forms.

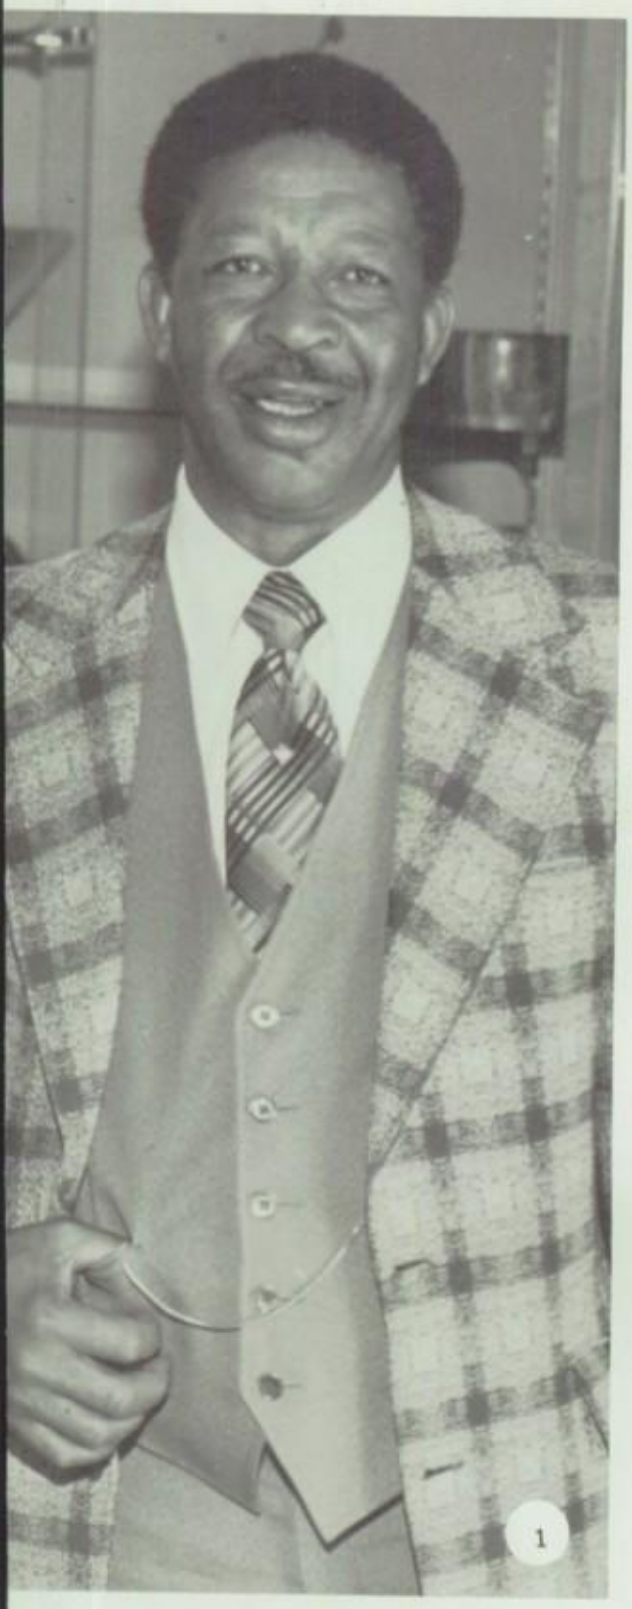
Attendance Office Tries New Method For Greater Accuracy, Less Truancy

Mr. Ed Harris, who is in charge of the Welfare and Attendance office, works in liaison with home and school to encourage students to meet their educational responsibilities. He directs the activities and personnel of the attendance office.

A new system was tried the first semester. When this failed to solve the problems, the system was changed somewhat, early in the first semester, and again the beginning of the second semester.

Mrs. Bonnie Schoelen and Mrs. Iris Luckeroth are both clerks in the Attendance Office, handling such things as the cleared list, re-admits, absences, off-campus passes, and class cuts.

Added to the personnel in the Attendance Office the second semester was Miss Sallie Phillips who works two periods a day in order to help with class cuts and other problems.



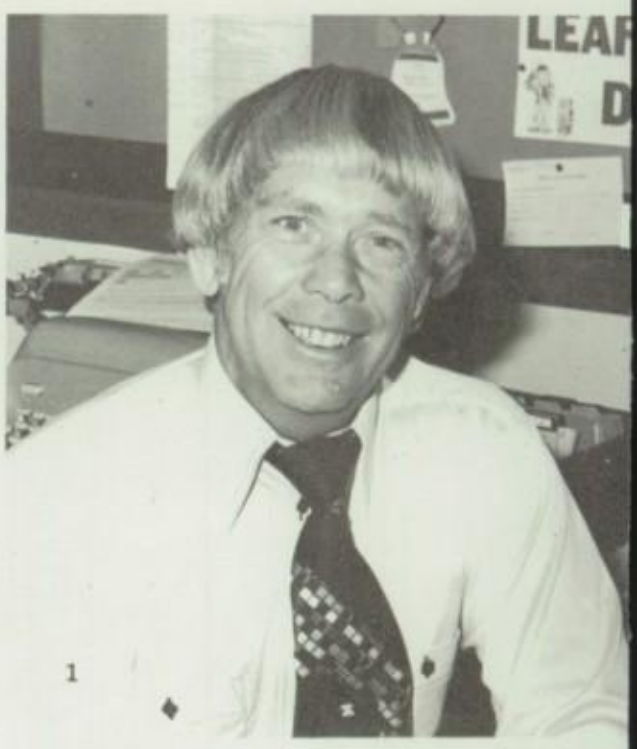
1. Mr. Ed Harris is Welfare and Attendance Supervisor. 2. Mrs. Bonnie Schoelen checks off-campus passes. 3. Mrs. Iris Luckeroth clears students whose names are on the master absence list. 4. Mrs. Virgillia Pope retired in December after working at Palmdale for 19 years. 5. Miss Sallie Phillips works part time to help with special problems.

ROP, Work Experience Programs, Plus Athletics, Allow Student Involvement

Directing the Regional Occupational Program (ROP) is Mr. Joe Lehnhoff. The program consists of a variety of classes offered to juniors and seniors. These classes give the upperclassmen more experience in certain types of occupations, such as photography, banking, and cosmetology.

Mr. Bill Clark heads the work experience program at Palmdale, coordinating his job through the AVUHS District Career Development Center. He issues work permits and directs the work experience program and the teacher aide program.

Mr. Ray Monti is Director of P.E. and Athletics. He is responsible for scheduling all girls' and boys' sporting events, arranges transportation, interviews coaches, and is present at most sports events. Athletes wanting clearance for sports go to Mr. Monti's office.



1

2

3

1. Mr. Joe Lehnhoff directs the ROP. 2. Coleen Dargo discusses her class with Mr. Lehnhoff. 3. Mr. Ray Monti checks the notes on his desk. 4. Mr. Bill Clark is Work Experience Coordinator.

Library, Instructional Media Center Provides Extra Services For School

Operating for the benefit of the faculty and students, the library staff maintains a variety of material for the enjoyment of reading and the intensiveness of studyng. Mr. Walter Check and his aides Mrs. Guthrie and Mrs. Walker are eager to help students utilize the facility for research, study, or pleasure reading.

Mr. Michael Murray, Director of Instructional Media, handles audio-visual material for the entire school, such as cassettes, films, slides, and records and the equipment for the use of these. In addition, he orders weekly films for teachers who have requested them. Students are assigned to work with Mr. Murray each period. Mrs. Bobiak works part-time as clerk in Instructional Media and part-time in the Nurse's Office.

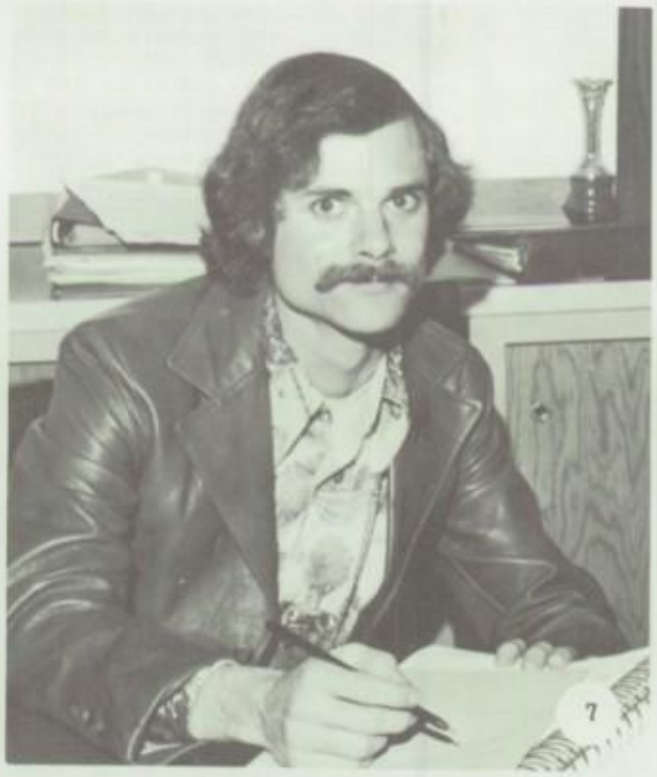
Guidance Dept. Provides Counseling For Each Student on Individual Basis

New this year is Mr. Tom le Noir who joined the faculty as a Guidance Specialist. With the addition of a new counselor, each of the four Guidance Specialists has fewer students, enabling each to give more time to the individual.

Mrs. Florence Graham heads the team of counselors which includes Mr. Kay Carver and Mrs. Essie Martin, as well as Mr. le Noir.

Each counselor has one-fourth of the student body and meets with each student for approximately one hour each year to discuss future educational and professional plans. Parents are encouraged to attend the meetings.

Mrs. Rita Christian and Mrs. Sandi Gaasch help with the extensive secretarial work.



Student Store Sells Needed Supplies; Activities Office Supervises Events

Mrs. Bev Gotcher is Student Store Manager. She sells school supplies and handles teacher supplies, in addition to issuing and collecting textbooks

Mrs. Mary Pond, as ASB Bookkeeper, collects and deposits money from all clubs and classes, keeps all books current, and issues checks as needed by club, classes, or athletic teams.

Both Mrs. Gotcher and Mrs. Pond provide learning experiences for a limited number of student who work in the Student Store.

Heading the Activities Office is Mr. John Thomas, Vice-Principal, who directs all student club and class activities. He is responsible for maintaining the yearly calendar for the use of school facilities and organizing transportation if it involves school activities. He is also supervisor for the student government class.

Mrs. Connie Houser handles the multiple secretarial duties in the Activities Office.

5

Nurse Works with Medical Situations; Career Center Has Varied Information

Miss Dorothy Miller, as school nurse, provides help for sick or injured students. She is in charge of giving ear and eye examinations to all tenth grade students, along with anyone else who requests them.

While Palmdale had no official team doctor, Dr. Donald Bean, along with the medical staff from Mira Loma, gave team physicals to student athletes.

Mrs. Barbara Taylor is completing her fourth year as head of the Career Center. Mrs. Taylor schedules different programs aimed at a wide variety of students. Representatives from the armed services, colleges, and universities are frequently invited. Scholarship information, along with college information, is also available.

Registrar, Switchboard Operator Stenographers Help in Many Ways

Mrs. LaVerne Moser works at the switchboard in the Administration Building. Her desk is in the center of all activities under way in the offices. She handles telephone calls and messages and keeps a general knowledge of school happenings so she can usually answer questions from faculty or community.

Mrs. Joan Widmann is registrar. In this position she is responsible for all permanent records, including those of all former students. Many of the records are kept on microfilm because of storage problems. Mrs. Widmann also forwards information to other schools or to colleges and requests information on transfer students.

Miss Pat Roy and Ms. Ellie Foster serve as school stenographers. Under administrative supervision, they perform clerical duties, including transcription from the IBM dictation unit.

1. Mrs. LaVerne Moser, Receptionist and Switchboard Operator. 2. Mrs. Joan Widmann, Registrar. 3. Miss Pat Roy, Stenographer. 4. Ms. Ellie Foster, Stenographer.

11 Cafeteria, Snack Bar Personnel Help to Feed a Hungry School

Cafeteria workers are busy early each morning getting food ready for many hungry students and faculty members. Besides the hot lunches served, workers make sandwiches, cookies, and other fast-serve foods.

They sell their products before school and during snack and lunch. They also make arrangements with athletic teams to serve lunch early if necessary.

Snack bar workers Mrs. Lois Lippert and Ms. Ruby Myatt sell many kinds of packaged foods and drinks. Their jobs include buying and ordering the food and counting and depositing the money gathered.

1. Ms. Ruby Myatt works in the trailer snack bar located near the Activities Office. 2. CAFETERIA PERSONNEL, BACK ROW: Mrs. Lorraine Johnson, Ms. Yvonne Wetzsteon, Mrs. Dorothy Olson, Mrs. Harriet Patterson, Mrs. J. Medicus. FRONT ROW: Mrs. G. Jim Freeman purchases a hamburger from the cafeteria.

Mr. Sutterfield Heads Operation, Maintenance Staff on PHS Campus

This year's maintenance and operation crew had a wide variety of jobs, from building a storage shed for the gymnastic equipment to continually cleaning the litter from campus. One important job they completed late last year was the expansion of the press box on the football field.

The maintenance and operation men repair many items, including lockers, desks, and windows. Overall, they handle the responsibility of keeping the campus clean and in good repair.

Other jobs they handle include setting up and lining fields for athletic events, mowing lawns, setting up for assemblies, and painting.

The members of the staff of District workers also help in carpentry work, painting, and other unusual jobs.

1. Mr. Troy Sutterfield is Head of Operation and Maintenance. 2. STAFF, BACK ROW: Richard Sealy, groundskeeper; Lyle Carson, groundskeeper; Bryan Thompson, Master groundskeeper; Lester Dudley, Maintenance. FRONT ROW: Bill Smith, groundskeeper; Jim Perry, groundskeeper; Bill Baker, groundskeeper. NOT PICTURED: Homer Ballard, David Baxter, John Ellis, Chester England, Gerald Johnson, P. Mr. Al Groves, laundry operator. 4. Mr. Bernard Miller, District carpenter, works on the construction of the gymnastics storage shed.

9 Campus Supervisors, Bus Drivers Provide Necessary Services for PHS

This year's campus supervisors had a demanding job keeping the students in order, especially with the increasing problems with smoking and cutting.

Their responsibilities include patrolling the school grounds, keeping the restroom areas free of loiterers, and supervising athletic events.

The bus drivers spend many hours transporting students to and from school. In all, 13 buses make runs to Palmdale, the longest being to Acton, about 60 miles.

The drivers also drive students to athletic and extracurricular events. Some of these trips require drivers to stay overnight, and many begin early in the morning or last until late at night.

1. Campus Supervisors Mr. MacLennan and Mr. Williams cruise the library area. 2. CAMPUS SUPERVISORS, FRONT ROW: Mrs. Lillian Carter, Mrs. Winnie Massimino, Ms. Elaine Hopper, Mrs. Abby Maikai. BACK ROW: Mrs. Lois Lippert, Mr. Gordon MacLennan, Mr. George Jenkins, Mr. Saul Olivas. NOT PICTURED: Mrs. Barbara Root. 3. Mr. Ken "Willie" Williams, is Head Campus Supervisor. 4. BUS DRIVERS: Bill Baker, Leon Trulock, John Ellis, Bill Smith, Gordon MacLennan.

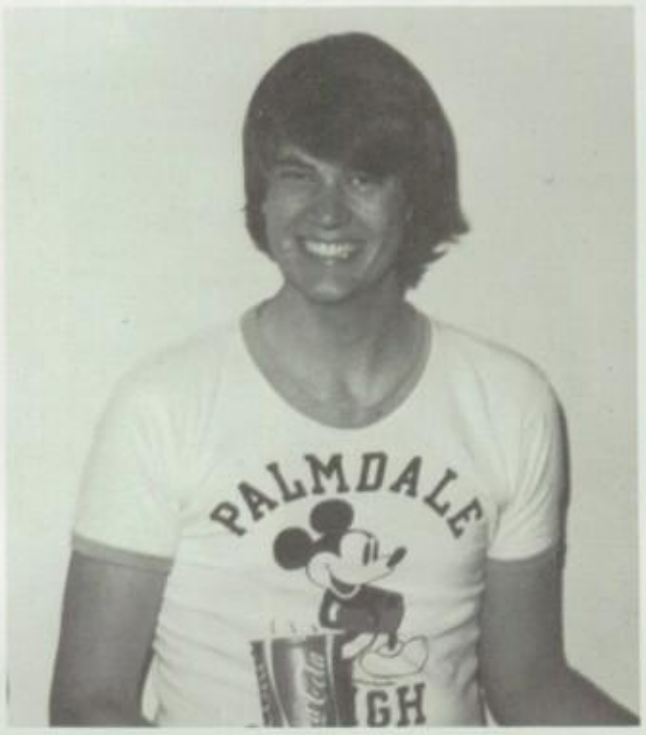
We May Never Pass This Way Again

Love - like the Autumn sun
Should be dying but it's only just begun

As a freshman it may have seemed hard to find a place in this society of Palmdale High. Then we found someone to share our friendship and finding ourselves became just a little easier. We began to mature little by little and became eager to meet new people and to explore new areas of knowledge, to discover new interests. And we realized love comes in many varieties, each different, but each important: the love for a friend, animal, boyfriend or girlfriend, the love for laughter and sharing. All the fun we had, all the love we shared, all the experiences we thought would last forever are ending, and we may never pass this way again.

↑ always smiling

always together



We May Never Pass This Way Again

So I wanna laugh while the laughin' is easy
I wanna cry if it makes it worthwhile.

Enjoying a nice long chat with a close friend, telling a joke to a good buddy, even posing for a photographer - each can prove to be the most amusing part of a day; so give in. Laugh! Happiness or sadness, winning or losing - learning to experience, accept and handle these extremes have been part of the education at Palmdale High. Hopefully, we can now become adults who can face community living without too many tears. The Prom was the last formal dance we enjoyed together. Was it worthwhile? Did we dance and hold each other? Do we have special memories since we may never pass this way again.

Thinking over this year, Denise Taylor, Assistant Editor, and I have found only a few people who could handle a certain type of situation, in this case, the reality of working on a school project without the advisor "holding their hands."

We have discovered four. Helen Sandoval, an excellent worker, and senior class editor; Robert Rayl, a freshman photographer who went all over campus and town at a moment's notice; and finally Gail Cox and Rochelle Kenney who took the time to escort O'Connor Brothers photographers around the campus.

We would also like to thank the faculty for letting members of the yearbook staff out of class (without too much trouble); the coaches and club advisors for their time and patience in helping us shoot team pictures and get information; the office personnel for unlimited special help; the Boutique Gallery for the Prom Court flowers; Cardinal Engravers for the loan of the crown; the advertisers for supporting us with $2500 which allowed us to lower the cost to the students by two dollors per book; Mr. Siegel, the Vice-Principal in charge of yearbook, for defending our rights and being interested; the parents of the class members; District transportation for bringing our books from Covina; the maintenance people for storing and helping transport the books during distribution; Mike and Jim O'Connor, along with Rod Gregory, Dave Kolin, and Bob Welch, for their patience and excellent pictures, Taylor Publishing Company representative Mr. Viga Hall, and most of all, Miss Larson, the advisor.

She trusted us to meet the deadlines, pushed us to the maximum, kept peace with Mr. Gardner, yelled at us because she knew we could do better, and finally with the completing of the book, told us we had just finished the best yearbook in the history of Palmdale High School.

Sincerely,

Stacy Love

We May Never Pass This Way Again

'Cause you make me feel like I'm more than just a friend
Like I'm the journey and you're the journey's end.

Graduation means about 450 seniors will say "Goodbye" to Palmdale High and perhaps even to Antelope Valley. Others will stay in the area. All will continue to be part of the school which helped created the individuals we are. But we will never forget how it all started that day we bumped into each other and then became best of friends. No, we can't forget because friends have made the trip through four years of high school much easier. While we celebrate the receiving of our diplomas, let's remember the laughter, the tears, the decisions, the activities, the sports, the things we knew about our friends or they knew about us: a birthday, the way someone fell in love so easily, the secret jokes. No, don't forget for we may never pass this way again.

Velvet,
Well, I hope you have fun during the summer & next year. Don't get in any more fights with Doug or else I'll come & "beat him up"!! Ok? I'll see you during the summer because I'll be playing tennis at P.H.S. with Carol DePaule. Maybe you & Fran could play with us & we could play doubles! Don't worry about Gene because he's writing Fran & me & we'll tell him to write you too!!!
Love always,
Cindy Smiley

Velvet,
Don't really know you all that well but what I do know about you is you're all good. Keep cool and if you party, keep partyin'.

Love ya,
Eugene Smith

To Velvet,
Have fun this summer and don't work to hard. Get ready for next year it's coming soon
Steve Hoehle

VELVET
Im glad I knew you
You are a beautiful person
Full of love and spirit
Ill always remember you. I wish I
could get ahold of you during the
summer but I have no Idea where
my life will take me from here but
through my travles you will always have
a place in my memory. soon our
souls will meet in paradise love
the world as you do and you will
always recieve love

Love
Jack Green

Velvet
Stay cool peptygrrl
And you have to make it
Just keep your nose to
the grindstone
And try and work
(keep this signature
your friend

Velvet,

Its been fun getting to know you this semester. And I hope you have a great time with Doug he's a nice guy and I hope both of you are happy. Have a nice summer and hope to see ya next year. Good luck in life.

Love ya,
Edna

Velvet,
I have really enjoyed knowing you & working with you as we sang Christmas songs. I hope we stay friends & get together sometime. I wish you the best of luck in the future. Have a great summer & I wish all your dreams come true. Now you can find someone who really loves you for the rest of your life. Love ya, Sheila Zieger (Sil-Zig) always smiling!

Velvet. Hope your two loves for the future last. Have fun out for the plays next year and be good during the summer.
